

# *Golden Retriever Club of South Australia*

## **LOOSE LEASH WALKING**

With Lynne Stapylton

The GRCSA is happy to be offering what will be the first of hopefully many more popup days. These will be different from our usual Fundays, and will require dogs to remain on lead.

The Club is lucky to have Lynne Stapylton who is an ANKC Obedience, Rally, DWD and Tricks Judge, along with being Chief Obedience Instructor and President of Gawler Dog Training Club, and long term Golden lover teaching our first session.

**For financial members of the GRCSA only (however, non-members are welcome to sign up on or before the day)**

We will be having our first session on the 27th of March. Bookings are not required, just rock up on the day.

**27th of March 1:00pm - 2:30pm**

**Where: The Village Green (Oxford Tce/Rugby St Unley), behind the Unley Council Chambers.**

**Cost: \$2 for members, non-members MUST sign up before, or on the day.**

What to bring: Lots of yummy treats for your dog, poo bags and water.

We will have some merchandise for sale as well.

PLEASE NOTE: there are currently no available toilets due to renovation, so if you need to use facilities you will have to go to the shopping centre across the road. Also note that space is limited so no tents etc are to be set up.
