## GOLDEN RETRIEVER CLUB OF SOUTH AUSTRALIA

### RUBY ANNIVERSARY CHAMPIONSHIP SHOW CRITIQUE – JUDGE – JIM RICHARDSON

It was indeed flattering to be invited to judge at the Club's 40<sup>th</sup> Anniversary Show. Many Congratulations must go to the Shows organisers whose attention to detail is second to none compared to similar Clubs worldwide. In comparison to 2005 when I judged the Show I found that the overall quality had marginally improved and there were many, many bitches with whom I would have been pleased to take home. In comparison to the UK I found that most exhibits were in good, well muscled condition and this on a whole resulted in positive animated movement.

Sincere thanks to the Club for their kind hospitality throughout my stay and for Heather and Brian Scholz for their kindness. Special mention must go to Peter Andrews whom I found to be a great character. It is sad that there are few characters left in the dog game today. The Club are very fortunate in having him to assist them. Thanks also to Ffiona the Photographer for allowing me to have some of the excellent photographs of the principal winners. Lastly special thanks to Karenne for her organisation and for putting up with me. Top marks for whoever is responsible for the Show Catalogue. In all my travels have never seen one so good.

I thoroughly enjoyed my days judging and was pleased to learn that many of my winners were closely related. It was good to have Mervyn Phillpott present at the Show as an onlooker.

#### DOGS

Minor Puppy 1. Handley's & Cooke's – Goldew Southern Son. An absolute picture giving total balance. Workmanlike head with intelligent expression. Correct body proportions. Reachy neck sloping into good shoulders and upper arm. Good bone and feet. Wide thighs with good bend of stifle. Excelled on the move with superb forward reach. A star in the making.

2. Mitchell's – Kiriell II Divo. Longer cast than 1. Good length of leg. Super neck and shoulders. Pleasing head with good proportions. Kind dark eye. Well developed hindquarters. Moved soundly in both directions.

3. Breen's – Goldmartini Refusal May Offend (ai). Short in couplings. Clean outline with profuse coat. Good length of leg. Pleasing head with kind expression. Would like more reach of neck. Good bone and feet. Positive movement with good drive from strong hocks. Completing a trio of quality youngsters.

Puppy 1. Clark's – Naragold Paradiso. WOW is the word to describe this one. Outstanding youngster who is just my cup of tea. Won this class with loads to spare. Presents a totally balanced outline and has good length of leg. Attractive masculine head which has so much work in it. Superb angles at both ends. Deep in brisket. Strong pasterns. Level topline. Covered the ground with ease and style. Very hard to fault in any way. Would love to own him.

2. Joseph's – Baradav Neon Light. Spoilt with the lack of second thigh and bend of stifle. Beautiful head with such soft expression. Good forehead construction. Tight fitting elbows on good forelegs. Moved OK considering the lack of development in hindquarters.

3. Williams – Chaleur Esprit De Corps – Critique removed at request of owner.

Junior 1. Fuller & Martin's – Goldmartini Say It Like It Is. He is all dog with deep mature body. Good length of leg. Handsome head properties with good chiselling. Dark, kind eye. Strong, level topline. Well developed hindquarters. Strong pasterns and hocks. Effortless free flowing movement.

2. Daniel's – Fernfall Finders Keepers. Would like more length to the leg. Not hiding anything today as he was very short of coat. Clean outline with no exaggerations. Nicely proportioned head with kind expression. Short in couplings. Correct earset. Well off for bone. Strong hocks which he used to advantage to motor round the ring.

3. Thomson's – Chaleur Double or Nothing. This one needs more time to drop into himself. Pleasing head with intelligent expression. Good length of leg with short couplings. Would prefer more layback of shoulder and upper arm. Handler tends to overstretch him on occasions. Strong pasterns. Positive, true movement in both directions.

Intermediate 1. Daniel's – Ch Fernfall Dare To Dream. One of great presence and attitude. Loved his size and balance. No exaggerations in any form. Beautiful head with soft expression. Dark, well shaped kind eye. Well laid back shoulders with good upper arm. Mature, well ribbed body. Deep in brisket, good straight front with tight fitting elbows. Strong hocks which he used to advantage on the move. Excellent forward reach. Tail carried slightly high whilst moving.

2. Fall's – Ch Fernfall Let Me Entertain You. Another worthy title holder who has great depth of quality. Slightly less mature than 1. Attractive head with so much work in it. Super balanced outline. Excellent forehand construction. Good width of thigh and bend of stifle. Excelled on the move with balanced strides. Well presented and handled.

3. Murphy's – Baradav Murphy's Law. Super overall quality which is spoilt for me by his lack of length of leg. Very hard to fault otherwise. Excellent forehand with well developed hindquarters to match. Gorgeous head with intelligent expression. What about those laughing eyes?? Good spring of rib on firm mature body. Covered the ground with ease.

State Bred Dog 1. Joseph's – Aust. Grand Ch Baradav Flying Solo. Very much lacking in coat which gives the immature appearance for this 5 year old. Pleasing head with good proportions. Typical expression but would prefer a darker eye. Good forehand. Would prefer more bend of stifle.

Moved well on balanced, free strides.

2. Reimann's – Ch Bournbeau Tartan Bruce CCD. A bit too heavy in head for me. Short coupled with strong topline. Good bone and feet. Tight fitting elbows. Moved well using his strong hocks

Australian Bred 1. Thomson's – Chaleur Craftsman (ai). One who has great presence and attitude for the show ring with the necessary qualities to match. He could go all day and his movement was a pleasure to witness. Attractive masculine head with intelligent, typical expression. Excellent lay back of shoulder and length of upper arm. Table-top topline. Good straight front with tight fitting elbows. Strong bone, pasterns and hocks. In tip-top condition. His coat was gleaming with health and vitality. Well presented. Res CC.

2. Handley & Petterwood's – Ch Larbellah Team Leader. Quality all through. Well put together with no exaggerations. Possesses great balance. Good workmanlike head with intelligent expression. Good reach of neck flowing into the withers. Excellent forehand construction. Well developed hindquarters. Level tail carriage. Moved out with great purpose and style. Excellent breed type.

3. Fall's – Ch. Fernfall Daydreambeliever. Not as mature as the first two. Loved his head which was well chiselled. Soft, kind expression. Superb forehand construction. Strong topline whilst standing

but lost it slightly on the move. Strong pasterns and hocks. Moved with drive and enthusiasm. Nice type.

Open 1. List's – Ch Haydengold Power of One. A dog who is in his prime and oozes quality. Was presented in such hard condition which is a credit to his owner. Possesses most of the essentials although his head is not the type which I look for but is still typical of the breed. Has great ring presence and attitude although he can't be easy to handle as he is so full of himself. Well angled at both ends which gives him total balance and has the length of leg to complete the picture. No exaggerations in any form. Well ribbed body. In full, gleaming coat. Moved with strong drive from the rear and excellent forward reach. He is so light on his feet they barely touch the ground. Very stylish. My CC winner.

2. Daniel's – Ch Arangolds Watching On High (Imp NZ). Good balance and length of leg. Beautiful head with so much work in it. Kind, typical expression from the darkest of eyes. Would prefer slightly longer neck. Good lay back of shoulder and straight front. Deep brisket and strong over the loin. Moved well on balanced strides. Excellent breed type.

3. McGraths – Ch Alnclair Gillys Hero. Lovely type who fills the eye. Longer cast and slightly shorter in the leg than the first two. Gorgeous head with soft expression. Kind eye. Excellent pigmentation. Good forehand with hindquarters to match. Moved with style.

Veteran 1. McGraths – Alnclair Rickys Revenge. 11 year old who is wearing well and showing little sign of aging. Very much my kind of head. Such a soft expression. Well made throughout.

Great attitude with super so willing to please temperament. Holds himself well on the move.

## BITCHES

Baby Puppy 1. Goldshyne Kennels – Kaparla Gosh Im Posh. Very easy to get carried away by describing this Wonderful, Breathtaking, Excellent, Superb 5 month old whom I would love to own. She is the most exciting Baby Puppy I have ever judged in any Country over 21 years. I could rave about her all day. Summing up she is quality, sweet, feminine, elegant, stylish and sound. Straight out of the top drawer.

2. Wood's – Aurumgold Dixie Chick. Just turned 4 months and very much a baby puppy. Sweet head and expression. Good layback of shoulder. Wide thighs with good bend of stifle. Good bone and feet. Excelled on the move which was effortless and stylish.

3. Wood's Aurumgold Duchess Kate. Litter sister to second. Similar remarks apply but just preferred the topline of 2.

Minor Puppy 1. Stafford's – Goldew Mamma Mia. Won on her balanced clean outline. Another one full of quality and promise. Very elegant with her reachy neck and well developed hindquarters. Beautiful, feminine head. Very steady and settled on the move for one so young.

2. Breen's – Goldmartini Y Coz I Can (ai) Very sweet. Mature and short in couplings. Good length of leg. Excellent forehand. Good width of thigh but would prefer to see more bend of stifle which may come with maturity. Good bone and feet. Strong pasterns. Covered the ground with ease.

Puppy 1. Grierson's – Naragold Georgie Girl. Litter brother to my Junior Dog winner. Different in type but possesses many of the same qualities. Gorgeous mid gold coat. Super clean elegant outline. Well put together. Beautiful feminine head with typical expression. Kind, dark eye Good bone and feet. Her movement was a joy to behold with such balanced free strides. Seems to be a clever breeder.

2. Mitchell's – Beaucroft Faith In You And Me (ai) Mature with good outline although on occasions falls away on topline when standing. Gorgeous, feminine head. She excels on the move which is effortless and holds herself well. Good angles at both ends which presents a very balanced outline.

3. Thomson's – Chaleur Enchanted. Very elegant outline. Sweet feminine head. Well angled at both ends. Covered the ground with ease and style.

Junior 1. McGraths – Alnclair Poppy In The Field. Handler could do more with this one but just saw enough of her qualities to justify her placing. The most beautiful of heads, very much my cup of tea. Kind, dark eye. Elegant balanced outline. Good bone and feet. Moved out well with good forward reach.

2. List's – Haydengold Fall from Grace (ai) Mature, clean balanced outline. Pleasing head with good dark points. Reachy neck flowing into good shoulder placement. Strong, level topline. Good straight front with tight fitting elbows. Her movement could not be bettered. Very stylish. Just preferred head of 1.

3. Fall's – Fernfall Give Me Goosebumps. One who was hiding nothing today as she was very much lacking in coat. Nice quality bitch who possesses many of the essentials. Sweet, feminine head. Would prefer more length to the upper arm. Nice flow into the withers. Good width of thigh. Covered the ground with ease when she settled.

Intermediate - My class of the day. 1. Handley's – Giltedge Sister Act. This was the one for me. Quality from nose to tail without any suggestion of exaggerations. Good height to length proportions which gives her total balance. So much work in this beautiful head with the correct chiselling. Soft, kind expression coming from those dark well shaped eyes. Well angled firm body properties. Put down to perfection. Her effortless movement was an absolute dream. CC and BIS.

2. Kelton's – Majik's Truly Julie (Imp Finland). Another 2 year old whom is teeming with quality and possesses most of the essentials. My head of the day which is so feminine and attractive. Those eyes just melt me. Superb forehead. Hindquarters a bit over-angulated. In excellent, hard condition. Strong over the loin. Top marks for presentation. Very stylish on the move which was positive and true. Pleased to award her RCC

3. Goldshyne Kennels – Parkridge Legal Prospect – Lovely type who is so elegant and feminine. Another beautiful head with so much work in it. Reachy neck flowing into the withers. Strong topline. A bit short of furnishings. Good width of thigh and bend of stifle. Positive, stylish movement in both directions supplied by strong hocks and well angulated forehead. A trio of wonderful, quality bitches.

State Bred. 1. Wallis's – Boolaroo Herbal Esscence. Well angulated at both ends but would like to see more length to the leg. Pleasing head with intelligent expression. Prefer more reach to the neck. Firm, well muscled body. Moved soundly and with purpose.

2. Joseph's – Ch Baradav Like Your Style (ai) Nicely made bitch who was lacking in coat. Good forehand construction with nice flow into the withers. Pleasing head with good shaped eye giving typical expression. Covered the ground with ease.

3. Thomson's – Chaleur Absolutely Fabulous. A little unsure of herself. Good typical head. Short in couplings. Positive movement.

Australian Bred 1. Thomson's – Chaleur Catwalk (ai) Eye catching bitch who has a lot to offer. Gorgeous Head with good chiselling. Kind expressive eyes. Clean elegant outline with no exaggerations. Good reach of neck flowing into the withers. Good layback but would like to see more upper arm. Well developed hindquarters. Not in the best of coats. Moved with drive and enthusiasm.

2. Bliss's – Ch Oceanviews Southern Belle. Good shape and balance. Feminine head with typical expression. Well laid shoulders with good length of upper arm. Deep in brisket. Strong over the loin. Level topline. In nice condition. Sound in both directions. Carried her tail a bit high.

3. McGraths – Ch Alnclair Aiming High. Mature deep body. Attractive head with attentive, kind expression. A little throaty. Good straight front with tight fitting elbows. Moved well on balanced free strides. Lovely type.

Open 1. Thomson's – Ch. Dewmist Silvering (imp Swd). Great outline with super firm body. Good height to length proportions. Well proportioned head. Would prefer darker eye. Super angles at both ends. Strong level topline. In good coat and condition. Carries herself well on the move. Good overall quality.

2. Goldsirius Kennels - Goldsirius Voodoo Doll. Nice quality bitch who is shorter in leg than 1. Sweet, feminine head. Kind expression. Very attentive to handler. Well developed hindquarters. Strong pasterns and hocks. Moved out with purpose.

3. Edwards – Ch. Tarengold Autumn Whisper. Nice type of bitch whose coat was on the blow. Presents a very balanced picture. Loved her head which was so typical. Intelligent expression. Good body properties. Strong over the loin. Excelled on the move. Good breed type.

Veteran. Although only 3 present, this class caused me the most difficulty as ages ranged from 7 to 11. 1. McGraths – Ch. Alnclair Ann Anticipation. I gave this one first in the Open class when I judged at this Show in 2005. Still moving really well at 11 years. She has the head and expression which I admire. In good coat and condition. A lovely type of bitch. Kind, happy temperament.

2. Handley & Petterwood's – Ch. Giltedge Angel Dust. Super balanced outline. Looks and moves much younger than her 7 years. Pleasing head. Well made throughout. Not in the best of coats.

Good overall breed type.

3. Foster's – Ambervalley Bonnie Banks. Loved her head and kind expression. Good clean outline.

Found it difficult to hold her topline both standing and on the move. In excellent condition.

Neuter. 1. Joseph's – Ch Baradav Framed in Gold. 2. Wallis's – Boolaroo Madame Butterfly

## Golden Retriever Club of South Australia 2011 Championship Show - Critique

– Judge - Audrey Richardson

I feel very honoured to have judged this show and wish to thank the committee for their welcome and kind hospitality.

I was impressed with the overall quality in both sexes. They were well muscled which reflected in their positive movement.

On the negative side I did find some with heads which were untypical.

Minor Puppy Dog 1 Handley & Cook's - Goldew Southern Son Six months and just right for age. Balanced outline with no exaggerations. Sweet masculine head, so appealing. Straight front. Substance without coarseness. Well ribbed. Moved soundly holding his lovely topline. So together for one so young.

2 Mitchells - Kiriell Divo. Lovely head and expression. Good bone and feet. Would prefer a little more angulation in front. Adequate depth of body and turn of stifle. A bit loose, at the moment, on the move

3 Sernecki 's - Serngold Chien Cinder Chiselled head with lovely expression. Adequate front angulation. Well off for bone. Shown in beautiful coat. Needs to tighten on the move.

Puppy Dog 1 Clark's - Naragold Paradiso Lovely pale upstanding puppy with well shaped head and lovely eye. Straight front with good bone and tight feet. Reachy neck flowing into well laid shoulders. Well made body with good turned stifle. Strong drive and good forward reach made him flow round the ring.

2 Joseph's - Baradav Neon Light(ai) Not so together at the moment but a lot to like with his pleasing head and well shaped eye. Good layback of shoulder and level topline. Loved his wavy coat. Would prefer a slightly better bend of stifle. Steady on the move.

3 Johns - Waldwiese Aint No Other Man Liked his head. Adequate front angulation Good bone and feet, well bodied and with well turned stifle. Just caught glimpses of his true shape and movement as he would not co-operate with his handler.

Junior Dog 1 Camm's - Kaparla In The Line of Fire Clean outline. Well shaped head with dark well shaped eye. Lovely legs and feet. Good depth. Adequate turn of stifle. 13 months old and just right for age. Moved soundly and with drive.

2 Fuller & Martin's - Goldmartin Say It Like It Is. Heavier built. Well made throughout with good bone and feet. Lovely head and eye. Deep body with strong rear. Moved steadily

3 Neldner's - Sambindor Gentle River Breeze. Beautiful head. Good bone and feet. Adequate front angulation. Careless with his front feet when standing. Well turned stifle. Moved truly.

Intermediate 1. Wilson's - Haydengold One for The Road. Strong well bodied dog with all the essentials. Pleasing head and eye. Well boned with neat feet. Well angulated front and rear. Looked beautiful standing. Had to settle on the move before I could see his true movement. In lovely coat and condition

2 Fall's - Ch Fernfall Let Me Entertain You Lovely head with well shaped eye. Good neck and shoulders. Straight front. Good bone and feet Well bodied. Flowing movement.

3 Hodges - Camuka Leader of Dreams. Most beautiful head and expression. Good neck and shoulders. Strong bone and feet. Not as strong in topline as first and second. Moved out well.

State Bred Dog 1 Joseph's - Aust. Grand Ch Baradav Flying Solo Well made compact dog with lovely free flowing movement. Good bone and feet. Very appealing masculine head. Deep body and well turned stifle. Level topline. Slightly short of coat.

Aust Bred Dog 1 Bliss's - Ch Oceansviews Got To Luv Me. My star today. So masculine with lots of substance without coarseness. I have in my notes 'I love his beautiful head and smile'. He had the most expressive eyes. Deep mature body. Well assembled front. Strong lengthy neck flowing into his well laid shoulders. Best of feet and legs. Correct bend of stifle with wide thigh. A pleasure to watch on the move. **DOG CC & BEST IN SHOW**

2 Handley & Petterwood's - Ch Larbellah Team Leader Another lovely boy with good neck and shoulders. Good body properties. Pleasing head, straight front, good bone and feet. Moved with drive.

3 Thompson's - Chaleur Craftsman(ai) Completed a trio of lovely dogs. Lovely outline. Well constructed. Gorgeous head and expression. In lovely coat and condition. Moved with great drive but was doing something funny with his tail which distracted from the flowing movement. Liked him a lot.

Open Dog 1 McGrath's - Ch Alnclair Gillys Hero. Lovely outline. Beautiful typical head with kind eye. Mature well made body. Straight front with good bone and feet. Good reach of neck flowing into his well laid shoulders. Well made rear with correct bend of stifle which he used to move with great drive as he effortlessly went around the ring. Lovely type. **RDCC**

2 List's - Ch Haydengold Power of One. Very masculine with no coarseness. Has all the essentials. Deep mature body, good bone and feet. Flowing outline. Moved out with good reach and drive. Just preferred the head of 1.

3 Morrison's - Ch Kaparla Wicketkeeper. Lovely type with his most gentle expression. Well made throughout. Mature body. Well ribbed. Level topline. Correct turn of stifle. Steady on the move.

Veteran Dog 1 McGrath's - Ch Alnclair Rickys Revenge. What a lovely boy. Typical Head with a soft expression. Well made throughout. Lovely bone and neat feet. Moved with good forward reach and drive. In great form for eleven years.
