**GRCSA PINK LADY CHAMPIONSHIP SHOW**  
**SATURDAY 2 AUGUST 2015**  
**JUDGE – MRS KIRSTEN PRICE (NEW ZEALAND)**

The Golden Retriever Club of South Australia Inc., decided to hold 2 Championship Shows during 2015 and to have them as “back to back” shows, thereby hopefully increasing the number of entrants in each show. It was decided at committee level that due to several of our members having been affected by Breast Cancer that the 2nd show would be a fundraiser with part of the proceeds being donated to Breast Cancer Network Australia – hence the name Pink Lady Show. Participants were encouraged to wear pink to show their support for women and men suffering from Breast Cancer. Mrs Kirsten Price from New Zealand was contracted as our judge. It was Kirsten’s first appointment as a Golden Retriever Judge outside of New Zealand.

Pink Lady Show 2 August 2015

Judge: Kirsten Price, Greytown, New Zealand

First may I thank you for your kind invitation to judge your Pink Lady show, the hospitality I received was second to none, the venue was beautifully set up and looked a picture, despite the inclement weather. My efficient steward made the day flow perfectly at a good pace. I would like to thank the exhibitors for accepting my decisions in a very sportsmanlike manner. I was pleased with the quality of the entry overall but I felt that the bitches had the greater depth which is as it should be in a breed.

## **Dogs**

### **1. Baby Puppy Dog**

#### **Baby Puppy in Show**

1<sup>st</sup> 1. Fernfall A Perfect Storm – Ms J Fall

A promising youngster, balanced with a pleasing head and eye with a gentle kindly expression. Nicely made shoulder and well angulated fore and aft.

Moved purposefully

### **2. Minor Puppy Dog**

1<sup>st</sup> Chaleur Paparazzi – Mrs R Thompson

Pleasing balanced youngster, well angulated both fore and aft. Strong level top line, not confident initially however settled later on and moved well.

### **3. Puppy Dog**

1<sup>st</sup> Chaleur Picasso – Mrs R Thompson

Another quality balanced youngster with a well-angulated front assembly and a pleasing head and expression, suffered a slight lack of confidence however recovered well and settled when moving

### **4. Junior Dog**

#### **Junior in Show**

1<sup>st</sup> 5. Fantango To the Moon and Back- P. Middleton and J. Salvestrin

A stylish young dog with a strong side gait that showed plenty of reach and drive and covered the ground efficiently, nice dark eye with a promising head and expression. Still to mature which is expected in this class

2<sup>nd</sup> 4. Goldshyne Cover Story – Parkridge kennels

Another youngster of the type I prefer slightly longer cast than 1<sup>st</sup> place however a pleasing head and expression with strong hind angulation

3<sup>rd</sup> 6. Bournbeau My Jasperson Angus – IB Reimann and PJ Reimann

Nice level top line well angulated in front with a pleasing dark eye just preferred the movement of the first two.

## **5. Intermediate Dog**

1<sup>st</sup> 8. Goldstream Abracadabra – A and N Kelton

A promising, stylish young dog that is yet to fully mature with a well angulated front and hindquarter, nice tight feet and a strong level top line. A pleasing expression although his head is yet to break and fully mature.

2<sup>nd</sup> 9. Fernfall Time Traveller – C.Pulis

Another youngster of my preferred type, nice head and expression and a well angulated front, not as sound in the hocks moving away as the first place.

3<sup>rd</sup> 7. Goldmartini Hells Full So Im Back – Mrs Belinda L A Johns

Mid gold moderately sized dog with level top line with a pleasant expression however would have preferred a shorter muzzle

## **7. Graduate Dog**

1<sup>st</sup> 10. Boolaroo Basil Brush – Ann Wallis

Mid gold moderately sized dog in good coat whose head is yet to mature. I would prefer a better lay of shoulder but he showed with enthusiasm.

## **8. Limit Dog**

1<sup>st</sup> 11. Boolaroo Macindoe Bruce – Ann Wallis

A moderately sized, lively lad who showed with enthusiasm, I would prefer a better lay of shoulder and more hind angulation however he had a pleasing dark eye and was in good coat.

## **9. State Bred Dog**

### **Best State Bred in Show**

1<sup>st</sup> 12. Chaleur Maximilian – Mrs R Thompson

A stylish and strongly built cream youngster with plenty of bone who is well up to size, lovely balance and angulation fore and aft with a strong head but pleasing dark eye and kindly expression. He has a slight tendency to lift his front on the move but drove well from the rear

2<sup>nd</sup> 13 Ch. Haydengold High Hopes – Catherine Williams

Darker dog of moderate size with adequate front angles but more substance and angulation in the rear, nice tight cat feet, pleasing head and expression with nice dark eye

## **10. Australian Bred Dog**

This was a strong class with the first 3 place getters all being quality dogs

### **DCC, Australian Bred in Show, Best in Show**

1<sup>st</sup> 19 Ch Chaleur Hilfiger – Mrs R Thompson

A stylish, moderate and symmetrical cream dog with a lovely head and kindly expression, well laid shoulders flowed into a strong top line with firm couplings that contribute to his overall shape and balance. Well-angulated hindquarters were used to drive him along and he showed his socks off from the moment he came into the ring. He was beautifully handled and presented in peak condition I had little hesitation making him DCC and later Best in Show

2<sup>nd</sup> 14 Fantango Playing for Keeps AI – Goldshyne Kennels

Another quality dog that moved well using his well angulated fore and aft, complete with a pleasing head and expression He had a strong firm top line, a little longer cast than 1<sup>st</sup> place and a wee bit proud of his tail today. Well handled and presented

3<sup>rd</sup> 15 Ch Fernfall Neverending Story – Kirsten Adams

A lively and showy boy well angulated fore and aft that moved purposefully with plenty of drive. Very little between 2<sup>nd</sup> and 3<sup>rd</sup> today would just have preferred slightly less length of loin. Very well handled and presented.

## **11. Open Dog**

### **RDCC**

1<sup>st</sup> 24 Ch Fantango Playing the Game AI – P. Middleton and J Salvestrin

A lovely example of this type, stylish and very well balanced fore and aft. He excels in front construction with a strong level top line and moves with purpose and drive. He was unlucky to meet the DCC winner today and pushed very hard for top honours. Beautifully handled and presented.

2<sup>nd</sup> 18 Ch Naragold Paradiso –Ms Emma Clark

Another quality specimen well angulated fore and aft with a strong top line he moved purposefully covering the ground however would prefer slightly move length of leg and a shorter foreface. He pushed hard for first place well presented and sensitively handled.

3<sup>rd</sup> 22 Ch Fernfall Daydreambeliever Ms J Fall

Nice example of a quality dog balanced and symmetrical with lovely kindly expression and good head. Presented and handled very well in good condition just a little proud of his tail today - another close decision.

## **12. Veteran Dog**

1<sup>st</sup> 28 Sup Ch Chaleur Valentino – Mrs R Thompson

A lovely balanced, moderate and athletic dog with lovely head and expression. Showed his socks off for his 8 years although had a tendency to lift his front such was his enthusiasm.

## **Bitches**

### **1a Baby Puppy Bitch**

1<sup>st</sup> 29 Goldshyne Pitch Perfect – Goldshyne Kennels

Pale cream pretty baby, nice dark eye with plenty of bone and substance, well angulated fore and aft would prefer a more level top line

2<sup>nd</sup> 30 Boolaroo Elenora – Ann Wallis

Another promising nice gold baby, moderately angulated but balanced, showed with enthusiasm just preferred the substance of 1<sup>st</sup> place

### **2a Minor Puppy Bitch**

### **Minor Puppy in Show**

1<sup>st</sup> 31 Chaleur Pollyanna – Mrs R Thompson

A very lovely, pale cream girl with pleasing head and expression, balanced and symmetrical with enough length of leg to grow into combined with a firm level top line. She moved with reach and drive and I could easily have taken her home

2<sup>nd</sup> 32 Chaleur Primadonna – Ms J Fall

This was a very difficult decision same lovely head and expression as 1<sup>st</sup> place balanced and symmetrical good front angles. At this stage I just preferred the hindquarter and hocks of 1<sup>st</sup> place.

### **3a Puppy Bitch**

#### **Puppy in Show**

1<sup>st</sup> 35 Askaval Afterglow – Mrs R Thompson

Lovely showy bitch with beautiful head and expression, balanced and well angulated fore and aft, a slight drop over the croup but moved with style and ease. She showed her way to Puppy in Show.

### **5a Intermediate Bitch**

#### **Intermediate in Show**

Very nice class could have placed all of them

1<sup>st</sup> 38 Goldlake Springtime Story – Janette Grierson

Very nice mid gold bitch with good level top line that flowed from neck into well-placed shoulders, a little longer cast but balanced with just sufficient length of leg. Presented in lovely condition.

2<sup>nd</sup> 40 Ch Chaleur Naughty but Nice – Mrs R Thompson

Stylish bitch with a classic head and expression, well angulated with a good level top line just needs a little more coat and maturity could have changed places with 1<sup>st</sup> on another day

3<sup>rd</sup> 41 Fernfall Dream Keeper – Ms J Fall

Another nice bitch with good head and expression, slightly longer than 1<sup>st</sup> and 2<sup>nd</sup> well laid shoulders and angulated hindquarter just not the finish of the first two today

### **7a Graduate Bitch**

#### **Graduate in Show**

1<sup>st</sup> 37 Fantango Santa Monica – Mrs S Kain

Stylish bitch of the type I prefer, well angulated with lovely neck into shoulders, balanced, moved very well with a lovely easy side gate. Showed well, one for the future.

2<sup>nd</sup> 43 Boolaroo Broom Hilda- Ann Wallis

Mid gold bitch with a pleasing expression balanced fore and aft and in good coat and condition, showed with enthusiasm. Was giving away a lot of maturity to the winner today.

## **8a Limit Bitch**

### **Limit in Show**

1<sup>st</sup> 45 Chaleur Madame Butterfly – Mrs R Thompson

Nice cream bitch with good substance and bone, excellent head and expression, well-angulated front, moved stylishly and purposefully with plenty of reach and drive would have preferred a more level croup.

2<sup>nd</sup> 46 Kiriel Heart of Gold – Ms E A Mitchell

Mid gold bitch with adequate bone and substance, nicely made front and pleasing eye and expression showed well but preferred the hindquarters of the first place getter

3<sup>rd</sup> 44 Calendula The Cleaning Lady – Ann Wallis

Mid gold bitch of slightly smaller build not as well boned as the first and second place getter, balanced and short coupled in good coat and condition

## **9a State Bred Bitch**

1<sup>st</sup> 47 Ch Haydengold One Step Ahead – Catherine Williams

A well-balanced and showy bitch that moved well, pleasing head although slightly longer in the muzzle, not in full coat today but well handled and presented.

2<sup>nd</sup> 48 Ch Boolaroo Betty Boop – Ann Wallis

A light gold balanced bitch with a sound front assembly, a reluctant showgirl today would have preferred more drive from the hindquarters

## **10a Australian Bred Bitch**

### **BCC**

#### **Reserve Best in Show**

1<sup>st</sup> 49 A lovely bitch who shows herself off to perfection, moves with long easy strides made possible by her superb angulation fore and aft. Pleasing head and expression, presented and handled superbly. Her charisma shone through in a strong bitch line-up. She is still a very young bitch who I would very much like to see when she is fully mature. Just pipped for Best in Show by a slightly more mature dog.

## **11a Open Bitch**

### **Open in Show**

1<sup>st</sup> 51 Ch Chaleur Hubba Bubba – Mrs R Thompson

Another very lovely bitch who pushed hard for the BCC, a well balanced, strong yet feminine bitch with a good length of leg, presented in good coat and condition and handled superbly

2<sup>nd</sup> 52 Ch Fantango Playing the Field – Paul Middleton and Janelle Salvestrin

Yet another quality bitch beautifully angulated fore and aft feminine head and kindly expression. Presented in superb condition and shown very well just preferred length of leg of the 1<sup>st</sup> place getter.

3<sup>rd</sup> 53 Ch Bournbeau Beguiled By the Moon NRD HTMS FSi – Margaret Bourn

A typical gold bitch with a pleasing head and expression, adequate front angulation but would prefer a more angulated hindquarter. She was giving a lot away in coat and condition to the 1<sup>st</sup> and 2<sup>nd</sup> place getters.

### **12a Veteran Bitch**

#### **Veteran in Show**

1<sup>st</sup> 55 Ch Naragold Angelica

A very lovely bitch with a superb head and expression so balanced and well constructed with a particularly good front assembly. She moved freely and easily A very strong contender for the BCC had she shown a little more enthusiasm on the day. Was pleased to be able to award her Veteran in Show she is in very good condition for her 8 years.

### **18a Open Neuter Bitch**

#### **Neuter Champion**

1<sup>st</sup> 57 Aurumgold Dixie Chick – Karenne Wood

A lovely type of bitch well balanced and symmetrical, stylish on the move and in very good show condition

2<sup>nd</sup> 56 Dykinta Carita – Graham and Carol Daffern

Pretty girl in excellent coat with a good top line, preferred the substance and head of first place
